

COVID-19 WORKPLACE SAFETY: Return to Work Tips for Associates

PLEASE KEEP YOURSELF SAFE AND HEALTHY THIS IS OUR MUTUAL RESPONSIBILITY

As workplaces reopen, here are some guidelines from the Centers for Disease Control and Prevention (CDC) and Department of Labor (DOL). Safety measures on your assignment will include:

Signage

Please pay attention to all signs to ensure proper protocols are met.

Social Distance

Remember: No handshakes or other contact. Remain 6 feet apart and follow designated traffic patterns throughout your workspace.

Handwashing

Frequent handwashing is strongly encouraged to maintain personal hygiene.

Face Covering

For your protection, all team members will be required to wear a mask at all times while on assignment.

Self Screening

If you feel sick, staying home is the best way to protect other people.

These rules and guidelines are for your safety. We thank you for your cooperation in keeping our workplaces safe!
